

MI MOVERS PAC Contribution Form – 2016

A Message from the President:

Hello fellow Michigan Movers! I just want to reiterate the importance of this year's election cycle. We all need to work together to make Michigan a better place to live, work and raise our families. Please donate to the PAC so we can help pro-business candidates get elected. As Donn mentioned, we will review voting records and work with NFIB and the MI Chamber to choose what candidates to financially support. I hope you all have a productive and profitable summer!!

Jon Sorber, Two Men And A Truck
MMA President

As you know, the elections this coming fall will affect the entire Michigan House of Representatives. The Governor and State Senate are not up for election this cycle. The Michigan MOVERS PAC, which is the official state political action committee of the MMA, is gearing up to participate in these elections, and your assistance is needed!

The MMA believes in helping to elect officials who believe in a strong business climate and who support job providers. Michigan's economic recovery can only be accelerated and maintained if businesses are permitted to thrive, grow and create new jobs.

100% of your donation will be used to assist friends of the business community to get elected to office. The MMA Executive Committee investigates and recommends contributions to both incumbents and candidates who support our business philosophy. Your partition participation is critical if we are to generate the resources needed to help maintain a strong pro-business legislature.

Contributors will be recognized in a variety of ways, including posting on our website, listing in our winter newsletter, and recognition at the 2017 MMA convention featuring a private reception with a state legislator or political pundit.

The MMA movers PAC may only accept personal checks. No corporate checks are permitted. Please make your check payable to MOVERS PAC and send it to the MMA at 3721 West Michigan Ave., Suite 102, Lansing MI 48917. We also hope you will distribute this form to your senior executive staff and encourage them to contribute as well. If possible, your response before July 31 is greatly appreciated.

Please return this form with your payment. Please complete all requested information.
